Newsletter Fifth edition.

This is the 6th Mountain Singles newsletter. Planned events for August and September are shown to the left.

Restaurant Changes

We will probably settle back to a routine of going to the same four each month, but for now there are a lot of changes. Members tried the Stockade in Crestline, and the Borderline in Cedar Glen. A record 24 members turned out at the Stockade, and then a new record of 30 turned out at the Borderline. The response suggests that we substitute the Stockade and Borderline as two of our regular four, and return monthly.

There are two openings in September to try alternative restaurants. You can nominate and vote for alternative restaurants, yourself. Just call me at (909) 744-8561.

Woody's Boathouse Restaurant

In second place for member's choice for an alternative restaurant was *Woody's Boathouse* at the Lake Arrowhead Village. So *Woody's* it is, on Wednesday August 11, from 6 to 9 pm.

I usually go for the salad bar, for \$13. *Woody's* has the only salad bar like it on the mountain. Also, a pizza that I tried was excellent.

Woody's is located in the Lake Arrowhead Village lower level on the waterfront. Follow the waterfront walkway past McDonald's 200 feet towards the end of the peninsula. Their phone number is (909) 337-2628.

Hike up Keller Peak

This will be a one-way hike of about 4.5 miles, with an altitude gain of about 1000 feet. Your hike leader is Donna, (909) 867-9351. Bring sturdy shoes, water, sunscreen, and a hat. A gnat-screen is advisable also, like those available at Walmart. After hiking up, we will return by car.

Gather at Donna's house in Running Springs on Sunday, August 8, at 7:30 am. For a map with driving instructions to Donna's, contact Don at (909) 744-8561, or send email to Don@moutainsingles.org.

Mtn Top Days & Chili Cook-off

Save the date. This is the most popular annual event in Running Springs. Come join the fun! The Mountain Top Days parade will be held on Saturday, August 7 at 9:30 am. Mountain Top Days will be held from 10:00 am - 4:00 pm. After Mountains Top Days ends, there will be a street dance featuring the Paxtons.

The location is between First Mountain Bank and the Library. From Highway 18 in Running Springs, go north 3 blocks on Palo Alto Way.

If you would like to go as a group, then call Don at (909) 744-8561.
